

**LES AMANTS  
DE LA VIGNERONNE**

A CORPS PERDU  
CHRISTIAN & REGINE  
GODEFROID

*Faugères - 2009 Bc*

Robe deep ruby purple and raspberry shades and a good intensity. Rich and intense nose, good ripe fruit that expresses red and spicy notes. The palate is large and round with a very good persistence, there is nice balance that displays itself in a full and powerful style.
